Hi Sam –

Thanks so much for contacting me. We're tentatively thinking of holding our first session on Wednesday, June 14 from 10:30 to 12:30. Would you and Jack be able to visit for an hour during that window of time? Also, do you have a photo of Jack that I could use in a flyer for employees? My office is the US Environmental Protection Agency and is located at 1595 Wynkoop Street in Denver. We have 500 employees and our plan for our new dog visit program is to use a few conference rooms where individuals and small groups could stop by to meet and greet the dogs. I'm trying to recruit 4 dog-handler teams.

Hi Suzanne,

I received your email from Billie Smith. I would be happy to come by with my dog, Jack... he's a huge hit at my office, truly the best stress relief! Let me know what you're thinking regarding a day and time. I could come by for an hour or so.. Fridays are usually best for me, but let me know what you're thinking and we can coordinate.

Thanks,

Sam

I would like to begin a therapy dog program at my place of work in downtown Denver. My goal is to set up visits once per month for several dog-handler teams to visit to provide much needed stress relief to employees. Thank you.

Suzanne
